FOR IMMEDIATE RELEASE

STATUS OF 2016 CONCERT IN THE CORNFIELD

JACKSONVILLE, IL – Kevin Eckhoff and Paula Stewart, co-chairs of the 2016 Concert in the Cornfield, have issued the following statement:

“Thank you for your calls, comments, and concerns about the 2016 Concert in the Cornfield following the tragic death of Craig Morgan’s son, Jerry, July 10. We extend our sympathies to Morgan and his family and friends.

While Morgan has cancelled his concerts for the remainder of July, all shows for the rest of the year remain on schedule, including his August 27 date for our Concert in the Cornfield. We are proceeding with plans to host Morgan at next month’s event.

We will provide updates as we receive them from Morgan’s management team. The updates will be posted on our South Jacksonville and Concert in the Cornfield Facebook page and on the southjacksonville.org home page.
